Minimum Qualification Specifications
for the Class:

PARK MAINTENANCE SUPERVISOR II

Experience Requirements:

General Experience: Two years of experience in any one or a combination of the following:

- A. Groundskeeping, grounds maintenance and/or related work utilizing a variety of hand tools and light motorized equipment.
- B. Unskilled or semi-skilled work requiring the use of simple tools found commonly in the building or mechanical trades.

Specialized Experience: Two years of semi-skilled or skilled building trades experience concerned with such activities as construction or maintaining buildings, shelters and other similar wooden or concrete structures; making repairs to the same in order to keep them in operating condition and to extend their serviceability and usefulness; inspectional experience involved in checking various phases of construction against detailed plans and specifications.

Supervisory Aptitude:

Applicants must possess supervisory aptitude. Supervisory aptitude is the demonstration of aptitude or potential for the performance of supervisory duties through successful completion of regular or special assignments which involve some supervisory responsibilities or aspects; by serving as a team leader, or in similar work in which opportunities for demonstrating supervisory and administrative capabilities exist; by the completion of training courses in supervision accompanied by application of supervisory skills in work assignments; or by favorable appraisals by a supervisor indicating the possession of supervisory potential.

Quality of Experience:

Possession of the required amount of experience will not in itself be accepted as proof of qualification for a position. The applicant's overall experience must have been of such scope and responsibility as to conclusively demonstrate that he has the ability to perform the duties of the position for which he is being considered.

Tests:

For competitive actions, all applicants must qualify on an appropriate examination for the class. For non-competitive actions, this test may be waived.

Physical Requirements:

Standard 3g. Applicants must be physically able to perform efficiently the duties of the position, which are described elsewhere in this specification. Good distant vision in one eye and the ability to read without strain printed material the size of typewritten characters are required, glasses permitted. The ability to hear the conversational voice, with or without a hearing aid, is required. In most instances, an amputation of an arm, hand, leg or foot will not disqualify an applicant for appointment, although it may be necessary that this condition be compensated for by use of satisfactory prosthesis. Any physical condition which would cause the applicant to be a hazard to himself or to others will disqualify for appointment. In addition, applicants must possess emotional and mental stability.

A person with a handicap will be considered upon demonstration of ability to perform the required tasks or have the ability or means to compensate for his handicap sufficiently to perform the job.
